ABSTRACT.

Appealing against the judgment and decree of the Deputy Commissioner, Shimoga District dt 13.12.95 AS. dismissing their appeal as being barred by limitation.

The Petitioner states as follows:

(1) That the lower court is wrong in dismissing their appeal on ground of limitation, inasmuch as the Appellants' father was, as agreed by the lower court, only 18 or 19 years of age at the time of his death. Since he died before his 21st year the minors get additional time for limitation. Section 9

of the Limitation Act does not, therefore, apply in the present case.

1. That the time for this dispute is to be calculated from the time of the Polgi settlement, which was made in 1886.

) That since the appellants are yet minors and their father died in his minority the suit is not barred by limitation.

Prays that on the grounds the decree of the lower court may be set aside and an order passed in their favour directing Respondents to bear the costs of Petr. A.S. and that plaintiffs' suit be decreed with costs. A.S. 9/3

The Plaintiffs' grandfather Krishnaiya who was the hakdar Patel of the villages in question, resigned the office unconditionally in 1866 and died in 1869. Before his death he is said to have adopted Plaintiffs' father Narasaiya as his son. In July 1894 the Plaintiffs (instituted a suit in the court of the Sub-Division Officer, Sagar, for recovery of the Patel office from the Respondents family.* But the Sub-Division Officer dismissed the suit as being barred by the Statute of Limitation. On appeal the Deputy Comnr concurred in the Sub-Dn Officer's view and dismissed the suit on the same ground. Petitioners have appealed to Govt against this order. At the hearing before the Council the Plaintiffs' guardian alleged that Narasaiya, the father of the Plaintiffs was a minor when he died. The Dy Comnr was directed to submit a finding on this point & From the evidence recorded by the Sub Dn

ABSTRACT

With reference to this office Endt No. 27958 16.6.98, Petr presents this petition duly stamped.

Application for review of Govt order No. 31358 3.7.97 regarding the Patels of Honnesara and 2 other circles. The Petr. takes objection to the relief granted to the appellants in the above case that in consideration of their having been minors and of their not being among those who had lost their haks, their haks would be considered when a vacancy occurs in any one of these circles

This petn applies for review of the concluding sentence of Govt No 183 P11 dated 5.5.1897 (Govt No 12 Appendix) This portion of the order relates to some contingency which may never happen. The petn. alleges the defendants in the case - to be fatally prejudiced by the order & the application for review seems to be under some misapprehension

Govt orly 10/8/98 Submitted with papers

Sub 52nd C.R. 13/8/98

No reasons to suspect

these circles.

The grounds for review are:-

(1) That it is evident from the record that the appellants' father Narasanja was a major both at the time of his death and at the time of his resigning the office.

(2) That it is evident from the Amildar's report No. 444 & 19.9.65 to the Deputy Commr that at the enquiry which was held at that period the appellants' father and other heirs who were present, all resigned their hak

(3) That as regards the statement in the endorsement that it was argued that the suit was not time barred, there is no ground to the appellants to get back the hak once resigned by them.

(4) The the appellants who are among those who have lost their hakas can never be entitled to the Pateli of any of the villages when they fall vacant and that Govt may consider their hak for the Pateli of any other circles unconnected with the above circles and therefore the order of the Dy Commr may be amended ac-

The Petr does not give any explanation for delay. He states that he has submitted this petn duly stamped that his prayer would be granted & that though the review is out of time yet as Govt have full power to consider all things in the best manner his review may be allowed.
